Product Description

Experience next-generation performance with the Dell Inspiron 14 Copilot+ Laptop. Powered by Snapdragon X Plus processor, this AI-ready laptop delivers fast, efficient multitasking with 16GB RAM and a massive 1TB SSD. The 14" WUXGA (1920×1200) IPS display offers sharp visuals and vibrant colors, perfect for work, study, and entertainment. Featuring Windows 11 Copilot+, a sleek gray design, and a backlit keyboard, the Dell Inspiron 14 is ideal for productivity, portability, and all-day performance.
