Product Description

The Lexar® NM610PRO M.2 2280 PCIe Gen3x4 NVMe SSD offers 500GB of high-speed storage, featuring sequential read speeds of up to 3300 MB/s and sequential write speeds of up to 2600 MB/s. Built with 3D TLC NAND Flash, this drive is designed for optimal performance and durability. The M.2 2280 form factor and PCIe Gen3x4 interface ensure rapid data transfer, making it perfect for gaming, content creation, and professional use. Whether you're booting your system, transferring large files, or running demanding applications, this SSD

provides the speed and reliability you need for a smooth, responsive experience.
